How AVS Guards are Special

A well-trained security guard is a precious asset to a security service providing company. AVS Guards and Detective Services is one such security agency in Delhi NCR, India, having a team of well-trained security guards and detectives. The service quality as well as the work dedication of our security guards allows us to provide our customers with the best security services in India.

All our security guards Delhi are trained well in all aspects of securing their workplaces effectively and morally. It makes AVS guard and Detective Services the most preferred security organization among homeowners and business owners alike in the country. Moreover, our registration with PSARA and membership with ADDI and CAPSI make us employ only moral, work-conscious, and sincere security guards for our organization.

All security guards Delhi of AVS guards and Detective Services undergo a variety of training to allow them to offer competent services to our customers. Some of the training programs that we offer to our security guards include:

Physical fitness training

Classroom training

Onsite training

Fire fighting training

Life safety training

First aid training

At AVS Guards and Detective Services, we also offer comprehensive training in facility management services to our security guards to allow them to offer the best security services in India.
